

RETREAT OPPORTUNITIES 2024

*"All deacons in the Diocese of Rochester must make an **annual retreat** of at least 3 days to enhance their spiritual growth and development. This obligation may be fulfilled either by attending the retreat organized yearly by the St. Stephen's Diaconal Community Association or by attending a retreat of the deacon's own choosing. **This must be recorded on your yearly self-evaluation report.**"*

Recalling this obligation to make an annual retreat, I've listed for your consideration some options, first and foremost the **Annual SSDCA Retreat from September 6-8, 2024 at the Notre Dame Retreat House in Canandaigua**. The others are options within a reasonable driving distance, some of which have drawn positive recommendations from members of our community. If you have enjoyed a particularly positive retreat experience and wish to recommend it to our community, please just send the information to me and I'll be happy to add it to the list.
